

Tim & Rod

Travel and Lifestyle Creators & LGBTQIA+ Advocates.

Tim and Rod's journey from isolated youths to celebrated icons of love and resilience is a testament to the transformative power of connection. Hailing from neighbouring suburbs in Newcastle, NSW, they navigated the daunting landscape of their respective closets, each burdened by the weight of societal expectations. Rod grappled with the constraints of a conservative Christian upbringing, while Tim struggled to reconcile his identity within the shadow of his sport-entrenched family.

Their paths converged serendipitously on a dating app, where the universe conspired to unite them in a bond that defied all odds. A decade since that fateful swipe, their lives have blossomed into an awe-inspiring saga of triumph over adversity, captivating hearts across Australia.

Their ground-breaking victory as the first married same-sex couple on Australian television's *The Amazing Race* marked a historic milestone, yet it also exposed them to the harsh glare of homophobic backlash. Undeterred, Tim and Rod courageously embraced their love in the face of adversity, embodying resilience, and grace with every public display of affection.

Fuelled by unwavering teamwork and indomitable spirit, they clinched the coveted grand prize of \$250,000, a testament to their unwavering commitment to each other and their shared dreams. Beyond the thrill of victory, they seized the platform to empower and inspire the LGBTQIA+ community, while championing visibility and representation on prime-time television.

Their influence transcends the small screen, extending into the realm of travel and adventure. Collaborations with brands like Bookings.com and Celebrity Cruises have afforded them the opportunity to share their zest for life and exploration with a global audience. Through their vibrant social media presence on platforms like Instagram and TikTok, they invite followers into their world of wanderlust, documenting their escapades both at home and across continents.

As they embark on new adventures in 2024 and beyond, Tim and Rod remain steadfast in their mission to spread joy, positivity, and acceptance wherever their journey takes them. Anchored in their Newbie haven with their beloved German Shepherd, Diesel, their story continues to inspire and uplift, proving that love knows no bounds and that the greatest adventure of all is the journey to authenticity.
